Department of NRI

Office of the Commissioner for NRI Affairs

Order

Comm/NRI/315/15-16/03

Sanction of the Government is hereby conveyed for implementation of "Mhozo Gaum –Majem Goem" Scheme for voluntary donations/contributions by Goan expatriates and Non Resident Goans (NRGs) to Goa's Development.

Goan expatriates gainfully employed in overseas countries and Non Resident Goans settled in other parts of India, have often expressed their desire to contribute to the development of their native areas where they were born or brought up or have their roots. Their contribution to the development process would be in any infrastructure project of public interest, which would either help to improve the living conditions of the community at large or provide the much needed facilities which the local civic bodies like Municipalities and

Panchayats, or Government Departments/ Government aided Institutions, as the case may be, are unable to provide basically due to lack of funds.

Under the above scheme, voluntary donations/contributions will be accepted from Goan expatriates gainfully employed in overseas countries and Non resident Goans settled in other parts of India for the development of infrastructure of any project in a specific location or specific project in any location. The salient features of the scheme are contained in Annexure-I. The projects which are proposed for funding, either wholly or partly are outlined in Annexure-II.

The separate bank account shall be opened wherein donations/contributions received for any project which could be financed either by an individual donor or jointly by two or more donors, shall be deposited. The Government will contribute to any mismatch/shortfall that may arise during the implementation of the project, not exceeding 10%, subject to entire contribution being received from the donor(s) upfront. The High Level Committee headed by the Commissioner for NRI Affairs will consider the project proposal found feasible and forward the same to the Goa State Infrastructure Development Corporation Ltd. (GSIDC) which will be the Nodal Agency for execution of the project and will obtain necessary approvals/ clearances from the Departments concerned for implementation.

A proper Memorandum of Understanding shall be entered into by the NRI Cell before execution of the project, wherein all the terms and conditions with the contributors, the executing agency and the ultimate end user, whether a local body or a Government Department or Government aided Institution, as the case may be, shall be clearly stipulated.

The project financed under the above scheme shall be audited through reputed and recognized companies of Chartered Accountants for which a panel will be prepared.

While the ownership shall vest in the Government, the project could be named after the person of the choice of the donor/ contributor so that there is sense of belonging towards the project. Where the Municipal Council/Village Panchayat concerned undertake day to day operation, upkeep and maintenance of the project, it shall be permitted to levy user charges for providing the facilities.

The expenditure on Government contribution would be met from Demand No. 02, Budget Head — 2052—Secretariat General Services; 00—, 800—Other Expenditure; 02—Facilities Centre for Welfare of NRI (Goans); 50—Other Charges (Non-Plan).

This issues with the approval of the Council of Ministers in the XXth Cabinet Meeting held on 20th November, 2015 and concurrence of the Finance Department vide U. O. No. Secretary (Finance) 2388/F dated 11-08-2015.

By order and in the name of Governor of Goa.

Amjad Tak, IAS, Secretary (NRI).
